WELCOME TO OUR OFFICE.

We offer state-of-the-art dentistry using modern techniques of sedation in order to provide fast, effective treatment.

Our equipment includes :

- in-office conscious sedation set-up
- in-office digital panoramic X-ray
- plasma bleaching technology
- vital signs monitoring
- AED and emergency equipment for your safety.
- oral implantology set-up

The advantages of sedation :

- No pain, no discomfort
- Minimum number of appointments
- Safe and effective
